Dear Brett Barrouquere,

I am writing in response to your request dated December 21, 2018, asking for the following:

“public records between of Anthony Richard “Tony” Perkins and the Family Research Council and the Wisconsin Governor’s Office between January 14, 2011 and the present”

Per my request, you clarified that Mr. Perkins’ email would like be either arp@frc.org or trp@frc.org.

I searched all known email accounts used by Governor Walker for correspondence with those two email addresses, and more generally, any email address containing “frc.org” and there were no responsive records. I also searched for any email used by Governor Walker that contained the phrase “Tony Perkins,” and similarly, there were no responsive records.

Therefore, I consider your request closed.
